SUMMER OPPORTUNITIES

AMSA's 2nd General Meeting
Spring 2013

CHORI SUMMER RESEARCH PROGRAM

- Children's Hospital Oakland Research Institute (CHORI) Summer Research Program is designed to provide an unsurpassed opportunity for students to immerse themselves fully in the world of basic and/or clinical research for three months during the summer.
- Deadline (extended): February 15th, 2013 4:00 pm
- To apply:
http://www.chori.org/Education/Summer_Internship_Program/summer_research_home.html

UC BERKELEY HEALTH CAREERS OPPORTUNITY PROGRAM (HCOP)

- The UC Berkeley HCOP Summer Research Program will provide undergraduate students (HCOP Scholars), internship placements with faculty and career mentors who are leaders in their respective areas of Public Health
- Deadline: February 15th, 2013
- To apply:
<http://sph.berkeley.edu/cphp/hcop/index.php>

UCSF PRE-HEALTH UNDERGRADUATE PROGRAM (PUP)

- Students will be paired with a UCSF professional student who is enrolled in the course. The purpose of the course is to train students to evaluate the medical literature, to design clinical and translational research studies, and to encourage long-term collaborations between UCSF and undergraduate students.
- Deadline: February 24, 2013
- To apply: <http://accelerate.ucsf.edu/training/pup>

SUMMER INTERNSHIP PROGRAM IN BIOMEDICAL RESEARCH (SIP)

- Summer programs at the National Institutes of Health (NIH) provide an opportunity to spend a summer working at the NIH side-by-side with some of the leading scientists in the world, in an environment devoted exclusively to biomedical research.
- Deadline: March 1st, 2013
- To apply:
<https://www.training.nih.gov/programs/sip>

SUMMER UNDERGRADUATE RESEARCH FELLOWSHIPS (SURF) AT BERKELEY

- SURF is designed to allow undergraduates enrolled at UC Berkeley in the College of Letters and Science to spend the summer doing concentrated research in preparation for a senior thesis or another major capstone research project.
- Deadline: March 11th, 2013
- To apply: <http://research.berkeley.edu/surf/>

UC DAVIS SURGICAL INTERNSHIP

- In this program, you will be interacting with physicians in the Department of Surgery and observing them through every step of patient care: from the chance to see patient-physician interactions in the clinics, pre and post-operative bays, operating rooms, bedside, and to intensive care units, as well as observing teaching conferences, journal clubs, and rounds. You will experience what surgeons do on a daily basis as you shadow them through all aspects of patient care and learning.
- Deadline: April 6th, 2013 11:59 pm
- To apply: <http://www.premedsurgery.org/application/>

OTHER RESOURCES

- Undergraduate Research Programs:
