

**1. Explain your interest in serving as this board position. If you are applying for multiple positions, briefly describe your interest in each.**

I've been a part of AMSA for almost two years now and have really grown to care for this club. I am interested in seeing the flow of funds within AMSA and allocating our club funds in a manner that will help the all committees get the most out of the events they plan. I am also interested in this position as a personal challenge, to hone my skills in working behind the scenes and to shoulder larger amounts of responsibility within the club.

**2. Explain your strengths and how they will contribute to your performance as a board member. If you are applying for multiple positions, be specific about how your strengths support each position you are applying for.**

I am well organized and detail oriented, qualities which are essential in having smooth transactions with the committee chairs to propose and update committee budgets. In my semesters serving on the community service committee, I have to plan to attend events over a month in advance and coordinate with AMSA members in attending events. I believe that this habit of planning ahead will be invaluable in working with fundraising and community service chairs to develop funding for long-term humanitarian causes.

**3. Describe your experience in previous leadership roles.**

I've been part of the the AMSA community service committee for almost three semesters and have lead AMSA members in various community service events. Outside of AMSA, I've worked as a Undergraduate Student Instructor (UGSI) for Bio 1 to help supervise a class of 30 students in weekly four hour long labs and give mini-lectures on various topics. I address any questions and problems that arise both during lab and throughout the week over email in an efficient manner.

**4. Describe the goals you have for this position, and how you plan to achieve them. If applying for multiple positions, go into detail about your goals for each position.**

I will raise more funds for our club by securing external grants and coordinating with the fundraising committee to hold more events to raise club funds. I will also allocate the club funds efficiently, such that will enable AMSA to hold more large scale events for its members--events such as mock interview sessions and invite more speakers for the general meetings.
